

Colab Training Solutions

COMPANY PROFILE

HOST AN EVENT, WORKSHOP, TRAINING OR PLANNING SESSION

We offer modern training facilities for hire, so you can focus on your own event, training or meeting, without having to set up rooms or worry about the catering.

ABOUT US

Colab Training Solutions was founded in April 2019 by Tasneem Khan. As a freelance trainer herself, Tasneem found it difficult at times to find affordable training rooms with suitable catering to meet the needs of her clients as well as the trainees. It was then that she made it her mission to launch training rooms of her own, meeting top quality standards at reasonable prices.

We strive to exceed our client's expectations by providing a conducive learning environment.

We stand for:

- Customer satisfaction
- Reliability
- Efficiency
- Professionalism
- Integrity
